Universal Service and Lifeline offerings of Georgetown Telephone Company, Inc.

On December 16, 1997, the Mississippi Public Service Commission designated Georgetown Telephone Company, Inc. ("Georgetown") an "Eligible Telecommunications Carrier" for its service area for Universal Service Fund purposes and programs. The goal of universal service is to provide all Mississippi citizens access to essential telecommunications services. Our service area includes the Town of Georgetown, and parts of Copiah and Simpson Counties in Mississippi that are served through our Georgetown exchange (601-858). Georgetown provides within its service area single party touchtone service to residential and business customers (with unlimited local calling) at rates of \$20.00 per month for residential customers and \$22.65 per month for business customers. This includes access to:

Long distance carriers;

Emergency services;

Operator service;

Directory assistance;

Telecommunications Relay Services;

and other services designed for persons with disabilities.

Use of these services may result in added charges. In addition, Georgetown provides one copy of its annual local directory free without charge. Touchtone service is available at no additional charge.

Georgetown also offers qualified customers Lifeline service who live within our service area. Based on the income-related eligibility criteria described below, you may qualify for this program.

This means you may receive a monthly credit for your basic phone charges ("Lifeline"). This Lifeline service also includes toll blocking to qualifying customers without charge.

The current discount provided under the Company's Lifeline service is \$9.25 per month for each month that the customer qualifies. To receive this discount, an individual must meet certain eligibility criteria such as the participation in one of the following federal assistance programs: Medicaid; Food Stamps; Supplemental Security Income; Federal Public Housing Assistance (Section 8); or the Low-Income Home Energy Assistance Program; Temporary assistance for needy families (TANF); National School Lunch Program Initiative; Income Eligibility Criteria if the household income is at or below 135% of the Federal Poverty Guidelines. Other terms and conditions apply.

For example, customers must apply for Lifeline and, as long as a qualified individual agrees to toll blocking, that individual is not required to pay a deposit prior to our service being offered.

A complete set of terms for these programs is available at our office on 1154 Railroad Avenue in Georgetown. Please call us at 1-601-858-2211 or write us at P. O. Box 137, Georgetown, MS 39078 or visit our web-site at www.gtco.com for additional information about our company or with questions. We encourage you to contact us if you believe you qualify for Lifeline.

The Georgetown Telephone Company and its affiliates comply with Sections 255, 716, and 718 of the Communications Act regarding individuals with disabilities. Please contact our office for more information.
